ARLINGTON, VA. - The Naval Criminal Investigative Service along with the Arlington County Police Department is seeking information on the events surrounding the death of a Marine on Saturday, November 8, 2008.

Police and medics were called to Route 110 Northbound near I-395 at 9:15 p.m. on November 8, for a pedestrian struck by a vehicle. The pedestrian was identified as Maddison Peterson, 22, a Marine stationed in Washington D.C. The driver of the vehicle stayed at the scene and was interviewed by detectives.

Further investigation led detectives to believe that another vehicle may have been involved in the fatal incident.

Mr. Peterson was last seen in the 2000 block of Jefferson Davis Highway shortly before 9 p.m. He was wearing a black t-shirt, gold chain, blue jeans and black shoes. People who saw Mr. Peterson walking in the area are potential witnesses and are asked to contact NCIS or Arlington County Police.

Any citizens who may have observed a person walking or lying in the roadway may be a potential witness and should call NCIS or the Arlington Police Tip-Line.

Investigators are also looking for vehicles which may have been involved in the incident. The vehicles may have damage to the front bumper area or hood. A customer getting vehicle repairs may have claimed to have hit a deer and may have been anxious or nervous about getting the vehicle fixed. They also may have tried to avoid reporting it as an insurance claim.

The Naval Criminal Investigative Service is offering a reward of \$2,000 for information that leads to the arrest and indictment of the suspect in this incident.
